

2-IN-1 AIR PURIFIER & HUMIDIFIER AIR-C DUO

Data sheet

The mobile 2-in-1 evaporative humidifier and air purifier AIR-C DUO cleans the air with the help of a HEPA filter and reduces impurities in the air by up to 98.43%, such as allergens, viruses, bacteria, and dust. At the same time, natural evaporation ensures the right humidity. The recommended room size for air purification is up to 50 m²*, and the recommended room size for humidification is up to 20 m²*. The humidification capacity is 150 ml/h.

Performance features

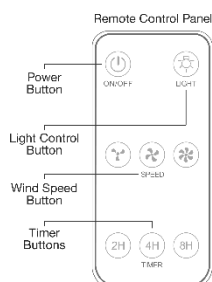

AIR-C DUO

- 1,9 l water tank
- 3 adjustable power levels
- Air purification by means of HEPA filter (type: H11)
- Integrated sensor for measurement of the air quality
- Room size air purification: up to 50 m²*
- Room size humidification: up to 20 m²*
- Max. Volume: 55 dB
- Operation via remote control or touch screen
- LED lighting with customizable colors
- Auto shut-off feature incl. timer
- Incl. remote control

TECHNICAL DATA

Humidification capacity	150 ml/h
Power	23 W
Voltage	230 V / 50 Hz
Dimensions (w x h x d)	195 x 553 x 195 mm
Weight	2,6 kg
Water tank	1,9 l

* With an average room height of 2.50 m.
